intervention to ensure that adequate measures are taken in each State to deal with this problem. Union Minister of Health & Family Welfare also convened a meeting of the Health Ministers and senior officials of 13 major States of the country on 12.11.2002 to discuss measures to ensure consorted action required to check movement of spurious drugs in the country and to involve all stakeholders, including pharma industry, to curb the menace of manufacture and marketing of spurious/ fake medicines.

Union Ministry of Health & Family Welfare constituted a Committee under the chairmanship of DGHS to examine the extent of problem and suggest remedial measures. Committee report has been submitted along with its recommendation in July 2002. A copy of the report of the Committee constituted by the Government of India to examine the issues concerning availability of spurious drugs in the market and measures recommended thereof have been sent to all the State Drugs Controllers for their implementation.

- Government of India has set up an expert committee on January 27, 2003 under the Chairmanship of DR. R.A. Mashelkar, DG, CSIR and Secretary to Govt. of India to look into various issues related to drugs control administration including the matter of effectively tackling the problem of spurious drugs.
- Central Government have taken steps to augment the drugs testing facilities of State laboratories. Strengthening information system through computer networking is also under implementation.

Assistance to States for Renovation of Health Facilities

3935. PROF.M. M. AGARWAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state the details of financial assistance provided by Government to various States during the last three years for repair and renovatiion of health facilities, procurement of drugs and equipments, etc. in medical sub-centres, public health centres and child care centres?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA) : A sum of Rs. 10.00 lakh per

Community Health Centre (CHC) District hospital, is provided to improve facilities for essential and emergency obstetric services for constructiion/repair/improvement of Operation Theatres/Labour Rooms and other facilities. Funds released to the States during last three years, for such Major Civil Works are given at Statement-I. *(See below).* Under Reproductive and Child Health (RCH) Programme a Grant-in-aid of Rs. 8.40 crore was provided to the State of Tamil Nadu during 2001-02 for procurement of drugs. In addition, drugs and equipments are supplied to all States/UTs under RCH programme since 1997-98 as per norms.

Besides, certain externally funded projects called Area Projects and RCH Sub-projects are under implementation in selected districts of various States. Under these projects repair and renovation of health facilities, supply of drugs and equipments are undertaken. Funds under area projects and RCH sub-projects are released to the States for the implementation of the project as a whole and not separately for repair renovation, procurement of drugs and equipments etc. These RCH sub-projects envisage construction of 1379 new buildings, including 593 Sub-centres, 41 Primary Health Centres (PHCs), 44 Maternal and Child Health (MCH) Centres, and upgradation/repair of 2602 buildings. Funds released during the last three years to States under various Area Projects and RCH Sub-projects are given in Statement II.
